Anyone can nominate or be nominated. They do not need to be a member of the Chamber to be considered. Further details and nomination forms are available at our office in the Train Station. The deadline for nominations is February 16th.

Good luck to all!

Career Choices Day

Your Chamber of Commerce in conjunction with the York Region District School Board will be holding a

"Career Choices Day" on Tuesday
March 23rd.

It will be held at Latcham Hall from 1-7pm. Although the primary targets are all of the local schools, it will also be of interest to the general population.

We are hoping that Construction, Automotive, Commerce, Agriculture, Health, Retail, and Recreation and Leisure will be represented. The tables are \$25. + g.s.t. each. Suggestions for displays include a poster showcasing the variety of opportunities available with your company from part time non-skilled work to apprenticeships, to clerical, to management etc. Working conditions, times, pay range for each type of job and the education required for each job should also be addressed.

Please make the decision to become involved in this very important community service to Stouffville's youth.

Applications and further information is available at the Chamber office in the Train Station or at 905-642-4227.
