

York Region **Export** Development Program *reaching beyond our borders*

YOUR BUSINESS MEANS THE WORLD TO US!

The York Region Export Development Program familiarizes companies in all nine York Region municipalities with the programs and information needed to succeed in the global marketplace. All of the services offered under the program are FREE.

The Export Development Program is a critical business development measure to advise and direct businesses in reaching global markets with a goal to engage potential, new, consolidating and diversifying York Region exporters by providing the solutions needed to secure their long-term growth and prosperity.

The Export Development Program, in its 10th year, provides on-site business consultations and workshops with York Region businesses to deliver research and market intelligence, export readiness assessments, export marketing plan mentoring, access to global partnerships, and contact networks to deliver advice on export business growth in global markets.

Our Business Development Advisors will lead you on the path to discover all you need to know about exporting.
