BOARD AND COMMITTEE VOLUNTEERS WANTED

We had many successful events in 2011 and a very successful year at the Whitchurch-Stouffville Chamber. This would not have been possible if not for the efforts of our very hard working Board of Directors, listed on the next page. Some of their terms are up, and we are currently accepting nominations from any member who would be interested in serving on the 2012 Board of Directors. The role of the Board is to provide overall guidance and direction for the Chamber.

There is one meeting per month, involving some reading and preparation time. In addition each Board director commits to attend at least three Chamber events during the calendar year, to support and represent the Chamber.

Serving on the Chamber Board of Directors, allows you as a member to have a voice in the direction and priorities of your Chamber. It allows you to give back to the business community and meet some great people and attend some great events!

If you are interested or want more information, please contact Mardi directly at 905 642-4227 or email mardit@whitchurchstouffville.ca.
